Dear Sir:

In compliance with the duty of disclosure under 37 CFR §1.56, and in accordance with the practice under 37 CFR §1.97 and §1.98, the Examiner's attention is directed to the documents listed on the enclosed modified Form PTO-1449. No inference should be made that the cited references are in fact material, are in fact prior art, or that no better art exists. The cited patents are listed in numerical order and are not in any order based on their pertinence.

The above-identified application was filed after June 30, 2003. This Information Disclosure Statement is being filed within three months of the United States filing date of a Request for Continued Prosecution Application under § 1.114(b)] or before the mailing date of a first Office Action on the merits. No certification or fee is required (37 CFR §1.97(b)).

By submitting these references, Applicant does not admit that the references are prior art to or material to this application, and reserves the right to establish that any reference is not prior art. Applicant does not represent that the references have been reviewed in detail; there may be details in the references of which Applicant is unaware.

The Commissioner is hereby authorized to charge any additional fees which may be required or credit any overpayment to Deposit Account 503964.
